Life on a tranquil land is
everybody's dream. Making your
life happen in such a land is our
aim. When your dream and our aim
meet and dissolve, naturally life
becomes beautiful and it changes
to its endless greenness.

MEET YOUR LIVING SPACE

The place you live should be a reflection of your 'Nature'the nature around and the nature inside you. When you see
Landmark Village apartments you can correlate with this
aspect.

There are six towers in total in the Landmark village and categorized as Studio, 1, 2, 3 BHK apartments. The apartment is designed based on sky villa concept, which provides plenty of cross ventilation. It also guarantees ample light inside the apartment. The balconies are designed to facilitate enjoying the breathtaking views around the apartments. Each tower has ample space in between the towers which provides sufficient air flow. There are entry/exit points from front and back as well.
